

ABOUT US

**Naturally,
Our Experience
Led Us Here.**

Mintek products are proudly made in the USA by Vaportek, Inc. and come to you after decades of experience in manufacturing excellence. By using natural peppermint oil, our products offer uncompromised safety, effectiveness and value. Protecting your valuables from rodents and other pests is exactly what we had in mind with our dry vapor technology. Unwanted visitors such as mice, other rodents and pests will be deterred by the aroma, while your valuables remain safe with long-lasting, natural protection.

**Protect your stored
vehicles, boats and RV's
with Mintek products.**

Natural Peppermint Repellent

SEE HOW THEY RUN!

Made with natural peppermint oil, Mintek products offer a safe and effective way to naturally repel rodents and other pests.

By producing a powerful, natural aroma, Mintek products repel common mice, rodents, and other pests and adds another layer of protection for cars, boats, and RVs.

Mintek products should be replaced every 30-60 days, or as needed, for maximum effectiveness, with an ideal temperature usage between 40-80 degrees Fahrenheit.

We are dedicated to using only the highest quality essential oil products combined with our propriety dry vapor delivery technology to provide you with easy-to-use, lasting protection.

PRODUCTS

5" Disposable Canisters

Standard Duty
& Professional Strength
Single, 2 or 12-pack

You can place them by your tires or toss them in your trunk. These canisters provide an adjustable aroma delivery system and are available in Standard Duty and Professional Strength. Professional Strength features 50% more oil for better performance. Simply dial the endcaps open to your desired setting and let natural airflow do the rest!

Mintabz™

24pc. pouch

Mintek's got your small spaces protected with Mintabz, a natural peppermint oil pest deterrent. Instead of having to fiddle with manually dosing messy cotton products, use our pre-dosed Mintabz cubes as a fast, simple, and effective natural deterrent.

EZ Disks

2 or 12-pack
Complete with housing
& sealed disks

These refillable units offer adjustability and come with velcro for installation in the most inconspicuous locations.

Large Spray

32 ounces

Use Mintek spray to drive away mice, rodents, and other pests while leaving a pleasant aroma for you. Mintek's large spray bottle allows you to cover areas directly affected by unwanted intruders with a layer of water-soluble, natural peppermint repellent.

SCS Heavy Duty Pads with Alligator Hang Chain

Set of 2 pads with 1 chain
Set of 12 pads with 3 chains
Set of 12 pads

This is the easiest and most versatile Mintek product to use. The large pads are intended for full and continual aroma output and hung on the underside of the vehicle chassis. Alligator clips make installation a snap.

Mini Spray

2 ounces

Use the power of Mintek's naturally effective peppermint oil pest deterrent, now available in a finger-pump spray bottle. Easy for quick use or to reach small places, this mini bottle of pest repellent is sure to provide long-lasting protection for stored vehicles.
